Fire Chief Tells Safety Measures For Halloween

Albany Fire Chief Gerald D. Browne wishes to bring to the attention of parents who will have children entering into Halloween activities, that there are certain safety rules that should be observed. "These rules are few and simple and if they are followed should make the Halloween observance an interesting as well as safe one for the children," the Chief said.

1. If a costume is made it should be of the type that is loose fitting.
2. Under no circumstances should candles be used.
3. Wearing of masks should be discouraged. Painted faces where a washable material is used should replace this practice.
4. All decorations or materials used should be of the fire proof type.
5. Supervision of all activities by an adult is most desirable.

Halloween Dance By Alteen Council Set for Oct. 30th

Hi kids! This is the first of a series of articles to be written for the benefit of the teenagers of Albany.

The Alteen Youth Council, under the leadership of President Cappy Pinkham, Vice President Bob Smeardon, Recording Secretary Andrea Ahlgren, and Corresponding Secretaries Donna DeYoe and Martha Geering is the governing body of the Alteen Club. The other members are as follows: Lorrene Baum, Karen Blank, Faye Chubbuck, Bill Cramer, Linda Danner, David Gaunt, Martha Geering, Jane Johnson, Janice Johnson, Mary Joseph Diane Liotta, Mike McNair Diane Pavoni, Kathie Popper, Susan Roberts, Bob Thompson Dean Vo heim and Glen Weeks. This Council was elected by members of the Alteen Club.

Next planned event is the Halloween Dance on October 30, 8 to 11:30 p.m. Theme for the dance will be "Funny Hat Dance." All members are asked to wear funny hats and will be judged for the persons wearing the funniest. Also at the dance the Alteen Club will sponsor a Wishing Well for the purpose of aiding UNICEF (United Nations International Children's Emergency Fund). Members are asked to bring their age in pennies for a contribution. The Alteen Council has generously donated $50 from the club's funds for the project. Let's see if we can't double this through your wishes at the wishing well.

Extra Police To be on Duty For Halloween

Hallowe'en being a night for the enjoyment of younger children, the Police Department will have extra men on duty to see that they are protected while they enjoy the evening in "Trick or Treat." In the case of the young children, it is suggested that the parents only allow them out in the early evening.

In order that malicious or unthinking mischief be suppressed, the curfew law will be strictly enforced and all violators will be dealt with promptly.

It is hoped that as in the past several years, Halloween evening will be enjoyed by all with a minimum of incidents to mar the occasion.

HERE IS A BLUE FEATHER GROUP of St. Jerome's Blue Birds who are working on "Jubilee" projects, including the weeding of ivy plants in the school grounds, and taking tree identification tours of Tilden Park with the park ranger. In the picture the girls are shown getting ready for Halloween. Alameda County Leads Bay Area Crusade Drive

Alameda County took an early lead over its "sister" counties of the Bay Area in the 1959 United Crusade campaign last week — reporting 43.2 per cent of its $2,627,358 goal reached in the first three weeks of the drive.

At the Crusade's first report meeting held last Thursday at Berkeley's Hotel Claremont, county campaign chairman Nils Eklund announced that contributions from "good guys" in the county totaled $1,135,912.

"This percentage tops all records set by the Crusade in previous campaigns for the same period of time," Eklund said.

Included in Eklund's report on the five county "picture" was a figure of $1,911,722 credited to Division "A" — large corporate and individual gifts from all counties — which had reached 49.3 per cent of its goal.

Albany's initial United Crusade tally, reported at the October 15 luncheon, showed a total of $411, or 3.3 per cent of a $12,393 goal, according to Bert Griffin, Crusade chairman. The neighboring Berkeley-Kensington area ranked second among Alameda County's Crusading communities with a report of $151,893, or 46.3 per cent of a$328,045 goal.

County Council And Auxiliary VFW To Sponsor Dance

The county council and Auxiliary of the Veterans of Foreign Wars will sponsor a Halloween Dance on Saturday, October 31, at the Alameda Veterans Building, Walnut and Central in Alameda. Paul Michael's orchestra will furnish the music. There will be dancing from 8 p.m. to midnight.

Costumes are not necessary to attend, but prizes will be awarded to wearers of outstanding costumes, including a $25 bond. The judging will take place during the grand march.

Halloween Dance At High School Gym

Teenagers from Albany and neighboring communities who are looking for something to do on Halloween Night are invited to attend the Saturday night dance at the Albany High School gymnasium, sponsored by the Albany American Field Service.

Frank Bell, KEWB's popular disc jockey, will serve as master of ceremonies for the dance which is scheduled from 8:30 p.m. to midnight. Music will be provided by records and a dance combo.

Mrs. Ralph Gleason, chairman of the event, reports that all proceeds of the affair will be used to assist in financing the AFS student exchange program between Albany High and a school in another country. Tickets will be available at the door.

Nurses Workshop Studies Radiation

Of special interest to nurses in the community is the announcement of a nurses workshop on "Living with Radiation," which will be held in the auditorium of Berkeley Chapter, American Red Cross, 2116 Allston Way, on November 5 and December 3 at 7:30 P.M.

Rotarians Hear Inspiring Talk By 'Gene' Rideout

Albany Rotarians turned out in force last Tuesday for the annual visit of District Governor 'Gene' Rideout of Chico who delivered an inspiring and illuminative talk on the continuing growth of Rotary International and its efforts toward spreading peace and goodwill throughout the world.

He told of Rotary's representation in 113 countries of the world; of its rapidly growing membership, which has now reached the figure of nearly 500,000 distributed among more than 10,200 clubs, and of its program of student fellowships for which more than three million dollars have been awarded during the last twelve years.

He stressed especially the broadening of viewpoint and understanding among the peoples of the world by this exchange of students among the nations, by which each student learns for himself the home life, civic and business life of another people, and is able to take home this knowledge for the benefit of his countrymen and the world at large.

Mr. Rideout praised the local club for its work in this field, and for its aid to local students in furthering their education through fellowship awards. He also expressed himself as highly pleased at the civic activities of the club and its accomplishments in aiding the youth of Albany in numerous projects.

The district governor spent much of the day with President Roy Harford of the Albany club, and its secretary, C. L. Pecchenino. In the evening the governor held a meeting with the officers, directors and committee chairmen at the American Trust Company bank on upper Solano Avenue, during which the club's plans for the year were discussed.

ALBANY COUNCIL TO SEEK AUDITOR

The City of Albany will soon have a City Auditor. Provided for in the Charter, the duties have been performed at various times by the City Treasurer and the City Clerk. The duties were performed during the regime of Robert G. Olson as City Treasurer and Administrative Assistant, but on his resignation the city clerk, Mrs. Myrtle J. McLean, volunteered to re-assume these duties in addition to her other work until the post could be filled.

It was brought out by Mayor Blank during the discussion that the city hall staff consisted of three, back in 1927, while today with more than three times the population, the staff is only five. Since Olson left the city employ the city hall is one short and delays may be occasioned from time to time in preparation of reports.

"The City Hall staff has gradually taken on new work without complaint," said the mayor, "but it has now reached a point where something must be done about it." Mrs. Zahn criticized Mrs. McLean for delays in getting out an auditor's report, and opposed the move to hire an auditor. Vote on the measure was 4 to 1, Mrs. Zahn voting "No."

The council also discussed at some length a proposal suggested by the mayor calling for a report within the next two weeks on a lease-purchase plan for the replacement of the fire and police department buildings, which they declared were immediately necessary. This was approved, Mrs. Zahn only dissenting.

The proposal for developing the dead-end of Garfield Avenue into a "Tot Lot," previously considered, was turned down when a number of those present at Monday's meeting spoke against the plan. Ray Cirimeli, who lives at 808 Solano Avenue, spoke in favor of providing the children of parents residing **west of** San Pablo with some sort of playgrund, none being located in that area at present. Councilman Howell suggested that he thought the council would be very favorable to such a move if a suitable location could be found.

The Junior Chamber of Commerce issued an invitation to the City Officials to a get-together dinner at the Red Barn Restaurant on Wednesday, November 4, for the purpose of "getting acquainted."

A further report on the Middle Creek flood problem was referred back to the city engineer for further information.

The council unanimously approved the request of Joe Dagna, of Dagna's Market, for permission to extend his parking lot at the rear of the market. This was recommended for approval by the Plannig and Zoning Commission.

Rebound tumbling is an ideal way for youngsters to work off stored up energy and to build a strong coordinated muscular system. It is a body developer that is fun.

A class for women will be on Wednesday, starting November 4, from 10:00 a.m. to 11:30 a.m. Enroll now at the Albany YMCA, 9921 Kains Avenue.

New Market at El Cerrito Plaza Recently Opened

A new and fabulous food store has just been opened on the west end of El Cerrito Plaza, facing San Pablo Avenue.

The old world sign over the front is a copy of one that hangs over John Snow's Scotch Ale House in London, and reads, "McAdam Bell," Smoked Meats, Cheese, Eggs. The sign wasn't easy to make, but a wood carver in San Francisco was found who really did an artistic job. Many of the Plaza's patrons have commented on its old world charm.

John McAdam Bell, the proprietor, has been engaged in the food business for forty years. Fifteen of those years were in the Crystal Pala e Market in San Francisco, recently torn down to make way for a new hotel. Here Jack and his wife, Eva, specialized in cheese and eggs. The loss of foot traffic enjoyed there led the Bells to extend their line to include delicatessen and gourmet items. They are justly proud of their cheese counter, displaying varieties from all over the world. Over al. is the pleasing odor of hickory — that is when the smokehouse is going. The time to wat h the sausage man at work is n the late afternoon.

John Bell's proudest display in his beautiful new market is a food vendor's license issued at the turn of the century, to his father, James Bell, by the Commonwealth of Pennsylvania.

G&E Wins Top Merican Gas Industry Honor

Pacific Gas and Electric Company was awarded top honors among gas utility companies today for special achievement in customer relations.

Sponsored by the American Gas Association, the award was presented in Chicago by J. Theodore Wolf of Baltimore, AGA president, during the forty-first annual AGA convention.

Commenced last year, training was given to 2574 employmes in 400 meetings held between Oct. 28 and mid-December. A training manuel and an instructors' guide were produced for the course and a 99-page reference manual was published for regular use by customer service employees.

Studies of the program's effectiveness show greater customer satisfa tion with the handling of their inquiries by PG&E employees who have this training, Beckman reported.

Halloween Party At Terrace Park

More than 100 goblins and ghosts are expected to take part in the Spook Parade which opens the activities. Prizes will be given for the best children's costumes.

Games and stories will bring cheers from all. Marian DeSoto, director, is in charge.

Costume Dance

Albany single adults between the ages of 25 to 45 inclusive are cordially invited to the Era Club's Halloween costume dance this Friday, October 30th, at the Oakland YMCA Rose Room 21st and Telegraph. Prizes will be given for costumes.

Jaycees To Stage Joint Social Fete

The Alameda County Junior Chambers of Commerce, District 1 of the State Junior Chamber and comprising all 12 cities within the county, announce "Gay 90's Night," a social event, Friday, Octoger 30, at the Oakland Auditorium. This marks the first time in recent years that all the locals in the county are together on an event of this stature. Over 1,000 Jaycees, their wives and their guests are expected to enjoy dancing, entertainment, community singing, food and beverage in a night club setting reminiscent of the turn of the century.

The purpose of the affair is to provide funds for the district treasury to further the outstanding civic and youth projects the Jaycees contribute to their separate communities and to the county as a whole. Alameda, Albany, Berkeley, Castro Valley, Fremont, Hayward, Livermore, Oakland, Piedmont, Pleasanton, San Leandro and San Lorenzo are the locals participating. Individual cocktail parties, such as the one Piedmont will hold at the University Club in Oakland, will precede the main event for all Jaycees and their guests. The affair is open to any interested young men and their wives between the ages of 21 and 35; contact your local Junior Chamber of Commerce for invitations.

Drive with extra care when aproaching school crossings.

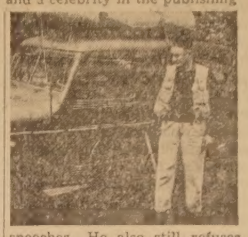
The Anatomy of Success:

Small-Town Judge Ignores It

Two years ago, John D. Voelker was a little-known Michigan judge, respected by his colleagues for his knowledge of the law and recognized by friends for his unusual skill at trout fishing.

Today, as a result of the smash success of his novel, "Anatomy of a Murder," written under the pen name of Robert Traver, he is approximately half a million dollars richer, a full-blown hero throughout Michigan and a celebrity in the publishing and motion picture worlds.



What effect has all this had on the Ishpeming, Michigan, judge? For one thing, it has left him in the middle of a "best-seller agony" he regards as "something strange and wonderful."

Since the day his tale of rape and murder was dubbed "one of the all-time great courtroom dramas," it has caught and kept the public fancy. The hard-cover edition of "Anatomy of a Murder" racked up a straight 65 weeks on best-seller lists and sold 186,000 copies. The paper-back edition published by Dell now has sales approaching the 3,000,000 mark. And, as if that weren't enough, the movie version of "Anatomy" turned out a runaway success and is being seen by uncounted millions more all over the country.

Now when Voelker steps out of the courthouse in Ishpeming, the autograph-seekers are often waiting for him. His private preferences for trout fishing, black Italian cigars and jazz music have all become public information — especially since they are also those of attorney Polly Biegler, the hero of the novel who bears such a close resemblance to Voelker.

Fellow-townsmen in Ishpeming now expect him to be "different," the 56-year-old judge declares. But Voelker refuses to change, still nodding to everyone on the streets of his home town and still refusing to make speeches. He also still refuses to give away the location of the streams where he indulges his passion for trout fishing, although now that he has become a bona fide celebrity, his fishing grounds have become a matter of great curiosity.

Another thing that has not changed is Voelker's abiding belief in the essential "goodness and toughness" of human nature, a belief that has survived his dealings with murderers, thieves and a host of assorted criminals.

What about that half-million dollars? Has that changed anything? It has changed Voelker's house. He now has a new one. It also bought him a new car, a jeep, a trailer, a flute, a hi-fi set, stacks of new jazz records and—as anyone who knows Voelker might have guessed—a dream collection of the best trout fishing gear available!

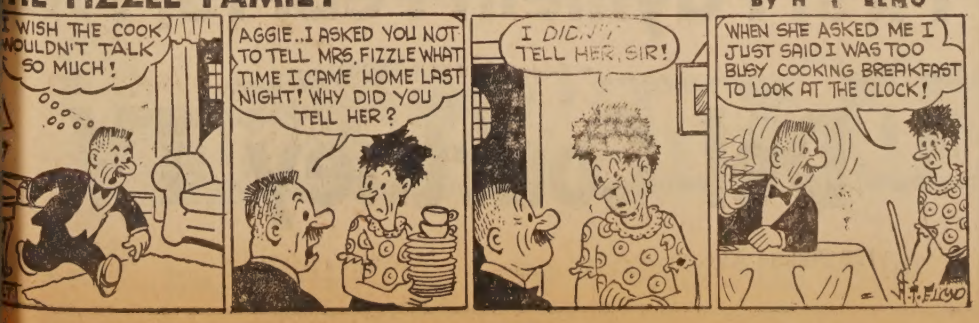
THE FIZZLE FAMILY

By H T ELMO



Chamber Chatter

By IRENE GROVE

Your Albany Chamber of Commerce is going to have regular monthly membership luncheon meetings on the second Thursday of each month. This was decided upon at the Membership Luncheon Thursday, October 23. The first of these luncheons is planned for November 12, so mark the date on your calendar and watch for more details as to the place and program.

These regular luncheons will provide the opportunity for the members of the Albany Chamber of Commerce to become better acquainted and together discuss and work out the problems common to all . . . such as parking and the improvement of the business climate of the city. Remember this is the very spirit and meaning of a chamber of commerce, the business community working together and by so working together, the chamber can accomplish what no one person can do by himself.

A constructive moment begun today may not be realized until next year or years after that, but it may be observed that as the years roll by and improvements come and expansion is realized, you can date their inception back to the time when a group of men gathered in the Chamber of Commerce and talked it over. They kindled the spark that grew later into a flame of constructive effort; public sentiment fell in line and finally the thing was accomplished.

The results are cumulative; the effects far reaching; your Chamber of Commerce is not just an organization, it is the spirit of the whole community and a medium through which an individual may work.

It was wonderful having our own County Supervisor, Kent Pursel with us at the October 22 luncheon and to welcome David Burns, manager of the Albany Safeway Store.

A very sincere "thank you" to Golden Gate Fields and Bob Larsen and all the others who made possible Albany Day at the Races, October 23. Over sixty passes were given to Albany businessmen and Chamber of Commerce members and everyone seemed to be having fun.

Solano Avenue business windows will again be decorated and painted for Halloween by art students in Albany Schools. This annual event is handled through the Solano Avenue Merchants and President Bud Read has been seen busily signing up the merchants along the avenue. Bud is now officially a member of your Albany Chamber of Commerce Board of Directors . . . This is a real asset as Bud is an example of the hard working and civic minded younger Albany businessmen.

The Albany Exchangettes are having a dance November 7 at Ensign Hall, 47th and Grove in Oakland. There will be dancing, snacks and coffee. Tickets are on sale for $2.00 and proceeds will go to Child Welfare.

There will be a dedication ceremony and luncheon, November 2 at 12 noon of the new USDA Wool and Mohair Laboratory in our city of Albany . . . look for a story on this unique and very important government facility next week.

You have the rare opportunity of hearing one of America's master salesmen and outstanding speakers, Tuesday noon, November 10 when Arthur H. "Red" Motley, Vice President of the U. S. Chamber of Commerce, will address an All Alameda County civic affairs luncheon at the new Jack London Square Hall in Oakland. This event is sponsored by a number of Alameda County organizations, including your Albany Chamber of Commerce and the other local chambers in the county. Call your Chamber of Commerce office for more details.

KIDS PARADE IN THOUSAND OAKS

Publicity Chairmen Attention

Owing to the fact that the publication date of this newspaper has been moved up from Wednesday night to Tuesday night, it will be necessary to have notices of meetings and other activities of clubs, fraternal organizations, Parent-Teacher groups, churches and similar organizations, in our office not later than Friday noon preceding publication. Wherever possible it would be advisable to bring in such material on Thursday to enable our composing room to set the necessary type before the weekend.

Material should be typed, double-spaced and with some space left at the top for notations to the printer. Also, wherever feasible notices and articles should be as short as possible. We welcome such notices, and will be glad to publish them insofar as available space permits.

Extra Help Needed By U.S. Post Office For Xmas Season

Are you righthanded? Can you stand for long hours? Are you a U. S. Citizen? Do you live in Berkeley or Albany? Can you work any hours between 5:30 a.m. to 5:30 p.m. or from 5:30 p.m. to 5:30 a.m.? Will you be available from December 10th on? If the answer to all of these questions is "Yes" you will be considered for Christmas 1959 Post Office jobs.

According to an announcement made today by Frank Spires, Berkeley Postmaster and Mrs. Marjorie Walker, manager, Department of Employment, all recruiting for Christmas post office work will this year be handled by the Berkeley Office of the Department of Employment, 1375 University Avenue.

The following schedule has been set up to expedite the interviewing, and the public is asked to cooperate as follows:

Report to the Department of Employment, 1375 University Avenue from 1 to 4 p.m. Monday through Fridays.

If you are a veteran bring proof of honorable discharge.

Mr. Don Dozier will be in charge of the men and Mrs. Margaret Metz will be in charge of the women. Successful women applicants must be prepared to take a preliminary aptitude test in the employment office, and if referred to the Post Office will be required to take another test involving the memorizing of street route lists.

Driving Schools Hold Conference In Sacramento

Coincident with the holding of the governor's traffic safety conference in Sacramento on Oct. 7, 8 and 9, the Driving School Association of California held its second annual meeting at the Hotel El Mirador at the state capital.

Among those attending were Mr. and Mrs. Robert M. George, owners of the Berkeley Driving School. Mr. George was nominated for vice-president and Mrs. George was appointed publicity chairman for the northern division.

In view of the interest throughout the state in Robert McCarthy's method of attempting to help Californians stay alive on the highway, the Driving School Association adopted the following resolution:

WHEREAS, the State of California has over 7,500,000 registered vehicles and more than 7,000,000 licensed operators with 57 vehicles per each mile of highway, and is the leading state with the largest number of licensed drivers and registered vehicles,

WHEREAS, the number of persons killed and injured in traffic accidents has reached an alarming number of 3510 killed and 135,365 injured in the State of California in the year 1958,

WHEREAS, 12 per cent of all deaths and injured in traffic accidents in 1958 involved drivers who had been drinking, and 20 per cent of all fatal traffic accidents involved a drinking driver.

BE IT RESOLVED that the Driving School Association of California at its second annual state-wide meeting held in Sacramento goes on record endorsing the campaign of stricter enforcement initiated by the new Director of the Department of Motor Vehicles Robert McCarthy.

BE IT FURTHER RESOLVED that we urge the director to use every means at his command to encourage wider use of driver training behind the wheel and driver education for new drivers as well as refresher courses for negligent operators as offered by the professional driving schools licensed by the Department of Motor Vehicles.

ONE OF THE CURRENT PROJECTS of the American Red Cross here is a drive to obtain blankets for the areas in Japan hit by the recent devastating typhoon which left thousands homeless and without clothing and personal effects. Here is Mrs. S. G. Culver, staff aid for the American National Red Cross, showing Mrs. T. D. Stewart, chairman of the local drive, how well the donated used blankets look after treatment for shipment. Chairman Stewart lives at 506 Arlington Avenue. She says more blankets are needed, and that they may be delivered to the Red Cross chapter house at 2116 Allston Way, in Berkeley.

Mrs. Kent Pursel To Head County Cancer Survey

The appointment of Mrs. Kent Pursel as chairman of this county's participation in the American Cancer Society's huge Epidemiology Study was announced today by Everett J. Silver, President of the Society's Alameda County Branch.

Silver also announced the appointment of Mrs. Russell Monson, 2101 Los Angeles Ave., Albany, as Albany chairman to assist in the mammoth fact-gathering drive.

The study — a survey of the relationship of human living habits to cancer — will involve the volunteer services of 700 men and women who will be expected to make annual follow-up reports on 8,400 local families during the next six years.

Each volunteer will keep track of approximately ten families already known to him, asking each family to fill out a comprehensive questionnaire which the family itself will see before the volunteer picks it up for transmittal to New York for electronic processing. Thus not even the volunteers will know the contents of the completed questionnaires.

During each of the following six years, the volunteers will make routine reports on the health status of the families for which they are responsible.

As soon as the recruitment of the volunteer task force is complete, the county-wide distribution of questionnaires will begin. Mr. Silver said that November 1 has been set as a target date.

Two Cheeses Enliven Tasty Veal Parmigiana

Veal parmigiana fits into the current rage for foreign foods. It is an Italian dish.

Two Italian cheeses are used here—Parmesan and Mozzarella. Parmesan is mixed with bread crumbs into which the veal chops are dipped, while Mozzarella is sprinkled on top.

Recently Mozzarella has seen a great increase in popularity due to its use in foreign dishes. You probably first met it as a topping on pizza pie or lasagna.

When melted and hot, as in veal parmigiana, Mozzarella is very chewy. Its flavor, along with that of Parmesan and the tomato sauce, contrasts pleasantly with the veal. Having a bland flavor itself, veal needs stimulating seasonings.

Browning the veal chops in butter tends to enhance their flavor. Perhaps you have noticed that foreign recipes generally call for butter for frying.

This is done for a good purpose. It's because of the matchless flavor butter gives to foods with which it is used.

A little butter goes a long way. For instance, only a small amount is needed for browning the chops for veal parmigiana—well worth the results obtained.

VEAL PARMIGIANA
4 servings

9" square baking dish
4 veal chops
2 eggs
1 teaspoon salt
⅛ teaspoon pepper
¾ cup fine, dry bread crumbs
¼ cup grated Parmesan cheese
3 tablespoons butter
2 tablespoons butter
1 medium onion, chopped
¼ cup finely chopped green pepper
1 8-oz. can tomato sauce
¼ teaspoon sweet basil
Salt and pepper
1½ cups shredded Mozzarella cheese

Beat eggs. Add salt and pepper. Mix bread crumbs and Parmesan cheese. Dip veal chops in egg, then in bread mixture. Melt the 3 tablespoons butter in a skillet. Brown the veal chops in the butter and cook slowly until chops are done. While chops are cooking, prepare tomato sauce. Saute onion and green pepper in the 2 tablespoons butter in a small saucepan. Add tomato sauce and sweet basil. Season to taste with salt and pepper. Simmer for 10 minutes. When chops are done, arrange them in the baking dish. Pour tomato sauce over them and top with shredded cheese. Broil until cheese is melted and lightly browned.

Foreign Movie Series To Begin

The Adult Education Division of the Oakland Public Library will sponsor a free series of foreign movies to be held each Tuesday evening in November in the Library Auditorium at 125 Fourteenth Street, at 7:30 p.m. The Foreign films are in their native language and will include evenings of Japanese, Italian, German, and French entertainment and culture. Further information may be obtained from Mrs. Sylvia Dost at the Oakland Public Library.

CHRISTIAN SCIENCE

Prayer's effectiveness in healing sin and sickness will be emphasized at Christian Science services Sunday.

Scriptural readings in the Lesson-Sermon entitled "Everlasting Punishment" will include this selection from James (5:14, 15): "Is any sick among you? let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord: And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him."

Correlative passages from "Science and Health with Key to the Scripture" by Mary Baker Eddy will include (391:13): "It is error to suffer for aught but your own sins. Christ, or Truth, will destroy all other supposed suffering, and real suffering for your own sins will cease in proportion as the sin ceases."

The Golden Text is from Proverbs (15:19): "The Lord is far from the wicked: but he heareth the prayer of the righteous."

Safe Driving Course Offered At Albany High

Teaching teen-age students the skills of driving a car and the need for sportsmanlike driving is patr of the curriculum at Albany High School and Adult Education Center again this year.

The driver training course consists of classroom study of traffic safety rules and sound driving practices as well as on-the-road supervised training in automobiles equipped with AAA dual controls. Curt Campbell Ford is loaning a 1960 Ford to the school for use in the program. The dual controls are supplied at cost by the California State Automobile Association.

Each student receives a minimum of six hours of actual behind-the-wheel driving instruction. He must also complete a course in driver education in which he studies the physical laws of nature as well as the man-made laws governing the operation of a motor vehicle.

'Tingler' At Oaks Theatre

An unusual request by the management of the Oaks Theatre will ask all patrons to please scream at the tops of their lungs if they feel any danger or overwhelming terror while viewing Columbia Pictures' "The Tingler," which is currently being shown here.

According to the most reliable authorities, "The Tingler" is a creation of man's fear, dangerous because a frightened man is dangerous and it cannot be destroyed except by the human scream. From all accounts, the engagement of "The Tingler" should be a "howling" success!

Costuming Big Factor in Masquers

Costuming is an important aspect of The Masquers' production of "The Sleeping Prince," to be given at the Albany Veterans' Memorial Hall, 1325 Portland Ave., on October 30 and 31. Terrence Rattigan's "occasional fairy tale" has the background of a mythical kingdom, Carpathia, the royal family of which is in London for the 1911 coronation of King George the V. Research into the costuming of that period has been done by Shirley Hickman and costumes and jewelry have been created for the production by Mrs. Hickman and her staff, which includes Eunice Burlingame, Barbara Marchant, Inez Scrivner and Nan Williams. The jewelry has been designed by Eunice Burlingame.
